You can consult with us in English for free!

As a part of supporting service for child rearing parents, we will be offering consultation services for in English as well as Portuguese and Spanish.

Please feel free to consult with us.

You can join one on one Basic Japanese Language Class for Father and Mothers

※Reservation required

We offer you a basic and practical Japanese language support called "Ganbaru Papa Mama Support Class" for mothers who want to learn Japanese to be actively involved in their child's daily life and school events.

Class is offered face to face and online.

Let's enjoy craft making with us!

We hold various kind of craft making events for non-Japanese parents and children live in Oyama City about 5 times a year.
